

# Keep the momentum going with virtual learning!

NOW THAT YOU'VE ATTENDED ONE OF DARDIS COMMUNICATIONS' PROFESSIONAL PROGRAMS, OUR VIRTUAL LEARNING COURSES HELP YOU MASTER NEW SKILLS.

## A 3-step Platform

- 1. An interactive course.** An informative 30-minute online course—plus a Communication Toolkit that helps you follow along with the material. When you're done, answer a few questions to test what you've learned.
- 2. A hands-on practice session.** Here's a chance to showcase your new skills: Create a presentation and upload it to our training portal.
- 3. Personalized, one-on-one coaching.** Participate in a personalized feedback session with a Dardis Communications coach.

## 10 Professional Courses

**MASTER FOCUSED EYE CONTACT.** Eye contact is a crucial tool for effective communication. Master it under our instruction, and present yourself as confident, believable and trustworthy.

**ENGAGE WITH VISUAL AND VOCAL ENERGY.** Successful presentations happen when speakers are energetic, enthusiastic and easy to listen to. In this course, you'll learn to engage your audience by looking and sounding professional.

**DELIVER BAD NEWS PROFESSIONALLY.** Deliver bad news in a professional manner using our proven approach. We help you organize your thoughts, deliver the news and focus on solutions.

**OPEN AND CLOSE PRESENTATIONS WITH IMPACT.** When it comes to capturing your audience's attention, ten seconds is all you get! Learn how to open with impact to grab your listeners' attention, then move your audience to act at the end of your presentation.

**BUILD A PERSUASIVE MESSAGE.** You're persuading your audience 86% of the time—so it's critical to build a message that inspires people to act. Our proven road map helps you build persuasive presentations that get results.

**USE VISUAL AIDS EFFECTIVELY.** Visual aids like PowerPoint slides can make a real impact when used effectively. Learn to use your visuals as an aid to a powerful presentation—not the focus of one.

**TELL COMPELLING STORIES.** Make your message memorable and repeatable by supporting it with insightful stories. We'll give you the road maps and techniques for effective professional storytelling in this course.

**BUILD AN INFORMATIVE MESSAGE.** Your audience doesn't want to get lost in the details, so don't let them. This course helps you make your point effectively and efficiently.

**SPEAK ON THE SPOT PERSUASIVELY.** Ever been put on the spot by a colleague? Learn to organize your thoughts, state a point of view and support it with confidence—even when you don't have time to prepare.

**LEVERAGE TECHNOLOGY DURING PRESENTATIONS.** You can't always present in person. Our tips and techniques can help make your virtual meetings, presentations and briefings as effective as the ones you deliver in person.

Courses start at \$345!
